STIX N VIBES

STUDENT-LED STICKER STALL · GOA

BRING THE STALL TO YOUR FEST.

We set up at college fests, markets and pop-ups around Goa, cut stickers live and bring a crowd with us.

01

LIVE STICKER CUTTING

A Cricut on the table cutting stickers while people watch. It pulls a crowd every time.

02

TABLES FULL OF DESIGNS

Waterproof stickers, peel-to-paste posters, Framez, art cards and music cards.

03

A STUDENT-LED STORY

Two students who built a sticker brand in Goa. It fits college fests and youth events.

04

QUICK QUEUES

Cash or UPI, small prices and fast picks, so the line keeps moving.

A DROP MADE FOR YOUR FEST.

We design 3 to 5 stickers just for your event: your fest name, your campus, your inside jokes. They're sold only at your stall, so people grab them and post them.

PROOF

BEST STALL SO FAR: WORDSUP AT XAVIER'S.

Every stall goes on Instagram at @stixnvibes, so you can see the crowd before you book us.
